<b>Business bio:</b> Mawsons is a one hundred year old family business owning and operating hard rock quarries and concrete plants across Northern Victoria and Southern New South Wales. We have six quarries and twenty plus concrete plants. We also operate a mechanical and fabricating workshop in Cohuna. The administrative head office is also located in Cohuna. We also have associated departments such as mechanical engineering and I.T. support services.	
	

**Type of placement:**

- Structured Workplace Learning (SWL) ✓
- Work Experience ✓
- School Based Apprenticeship/Traineeship (SBAT) ✓

**What duties could someone on a work placement do?**

According to the department you are placed in – under close supervision will carry out appropriate duties to the work of that area. All within the capabilities of the student.

**Position requirements (e.g. CI Card, RSA. Clothing etc.):**

No particular requirement however some positions require personal protective equipment/clothing which will be supplied on the job.

**Hours of work:**

Normal working hours of position.

**Best time of the year:**

No particular preference.

**Duration (1 week, 2 weeks, days per week):**

We will consider the requirements of each applicant.

**Employer requirements (e.g. written application, interview, phone contact etc.)**

*If you would like to do a placement with us, please follow the following procedure:*

Make contact with us either by phone, letter or email and we will direct you to the appropriate department head who will advise you of their particular procedure.
